Dear Sir:

Reconsideration of the holding of abandonment set forth in the Notice of Abandonment mailed on February 3, 2005 is requested. This request is within two months of the holding of abandonment and is timely.

Applicants hereby petition for the withdrawal of the holding of abandonment in the subject application. The Notice of Abandonment cited that Applicants failed to respond to a Notice of Allowance and Fee(s) Due that was mailed on September 28, 2005. This Notice of Allowance and Fee(s) Due was never received by the Applicants. Accordingly, the due date for paying the issue fee was never placed on the Applicants' attorney's docket and no response to the notice could have been filed by Applicants.

On January 30, 2004, Applicants received an Action dated January 27, 2004 that included a Notice of Allowability. This Action did not include the Part B - Fees Transmittal. Applicant contacted the Patent Office on February 5, 2004 to request a copy of the fee transmittal form. On February 19, 2004, Applicants' attorney's assistant spoke with Sandra Sewell of the U.S. Patent and Trademark Office. Ms. Sewell indicated that a fee transmittal form would be sent out. The Part B - Fees Transmittal was not mailed out until September 28, 2004 and then never received

Application No.: 09/972124Case No.: 56764US002

by Applicant. These steps by Applicant show that Applicants' attorney was actively waiting for the Notice of Allowance, and that the PTO was notified that Applicants had not received the same.

Applicant attests to the fact that the file jacket for the subject application has been searched and the docket records reviewed to verify that the Notice of Allowance and Fee(s) Due mailed on September 28, 2005 was not received. A copy of the docket record is enclosed. An arrow has been placed in the left margin to indicate where the docket entry would have been had the Notice of Allowance and Fee(s) Due been received.

Also enclosed is an Affidavit of Jeanette Dishno, a docket administrator in the office of the addressee, which supports this petition. The Affidavit describes the usual docket procedure utilized by the addressee. The Affidavit describes and provides copies of the 3M Innovative Properties Company File History and a separate computer search for all Notices of Allowances received by 3M Innovative Properties Company during the relevant time period. The Affidavit thus shows that procedures are in place for appropriately handling papers, recording their receipt, and docketing for action, and that these procedures were followed for communications from the United States Patent and Trademark Office (PTO) during the relevant timeframe.

In view of the enclosed Affidavit, supporting documents, and this petition, Applicants respectfully request that the holding of abandonment be withdrawn and that Applicants be issued another Notice of Allowance and Fee(s) Due.

This Petition is believed to be timely submitted. It is believed that no fee is due; however, in the event a fee is required, please charge the fee to Deposit Account No. 13-3723.

Applicants respectfully request acknowledgment of the active status of this application.

Respectfully submitted,

May 31, 2005
